Labs & Diagnostic Centres

A full-page photograph of a laboratory setting. In the foreground, a person wearing a blue lab coat, a white hairnet, and a face mask is looking through a white and black compound microscope. They are also wearing blue gloves. The microscope is on a white table. To the left of the microscope is a black power supply unit with a red button and some cables. In the background, there are other laboratory equipment, including a large white machine with a digital display and a glass-fronted cabinet containing various items. The overall color palette is dominated by blues, whites, and greys, with a teal overlay at the bottom.
